Hygiene Kit Tips

When putting together hygiene kits for our kids, please keep the following in mind:

- Choose age-appropriate items for the child receiving the kit
- Include:
 - Body wash
 - Wash cloth
 - Toothbrush
 - Toothpaste
 - Comb or brush
- Select gentle, kid-friendly products whenever possible
- Avoid strong fragrances or adult-only products
- New, unopened items only

Thoughtfully chosen hygiene items help children feel comfortable, cared for, and confident — especially during times of transition.
